I was not able to attend a meeting

Important Issues:

Land Use (Agriculture, Residential, Recreation), Water Resources (Floodplains, River Crossings), Radio or Television Interference, Noise, Health and Safety, Project Purpose and Need, Biological Resources, Proximity to Residences

Property Uses:

Residential

Comment:

I own a 40 acre parcel in the East portion of the project. My concerns are noted above. Missing and important is adverse property values.

Are some parcels identified by name? It appears some are, mine is not.

Will compensation be paid to owners on which the proposed line will be built? How much?
